- Camera with 1m cable to mini Male 4pin connector
- Camera connection cable with mini Female 4pin connector to Male 4pin connector
- Instructions

INSTALLATION

1. Remove the relevant brake light housing from the vehicle and carefully remove the bulbs/bulb holder assembly.
2. Insert the bulbs/bulb holder assembly into the CAM-VW7 and refit to the vehicle taking care not to trap any cables.
3. Connect the camera cable to the camera connection cable.
4. Connect the camera connection cable to the display monitor using an extension/4pin to RCA convertor cable and ensure that the image is displayed correctly.
